

Dear Friends,

Welcome summer! What a wonderful time of year. The water is warm, the sun is out and the Gummy Slumbers are cold! It's a perfect time to visit and enjoy our seasonal rate specials as well.

We would like to thank our repeat guests for returning again and again, and our new guests for taking the time to enjoy the island. We love seeing you all and try to update and keep current with you on our Facebook Fan page

<http://www.Facebook.com/LittlePalmFL> and on Twitter at

<http://www.twitter.com/LittlePalmFL>.

As usual, the resort staff is hard at work improving the guest experience and planning special events throughout the summer. We have wine dinners, chef table dinners, SpaTerre seasonal menus and more to satisfy every one of your cravings. Be sure to check our website at <http://www.littlepalmisland.com> to see the latest information.

Also, for those concerned about our policies this summer, Little Palm Island Resort & Spa holds our guests experience very dear. Our cancellation policy will be flexible this summer with special attention given to guests with environmental concerns. As it stands, the Florida Keys has not been affected in any way by the oil spill in the northern Gulf of Mexico. We encourage you to follow this situation by visiting one of the following websites: www.noaa.gov ; www.deepwaterhorizonresponse.com or www.fla-keys.com

This policy is mirrored regarding Tropical Storm or Hurricane Watches or Warnings. Our guests should have full confidence in their vacation planning.

Should you have any questions at all, please call us at 800-3-GET-LOST. We hope to see soon.

Warm regards,
